It's Back To School Time!

By now, you should have received confirmation of your child's enrollment for this fall and made your tuition payment. If you have not, please contact our office. After August 10th we are no longer able to guarantee enrollment without tuition payment regardless of registration deposit.

Open House – Meet Your Teacher

We hope you will join us on August 18th, August 23rd or August 25th for our Open House. We will have a few back to school specials going on in case you need some last minute items. Have a new teacher this year? Come by to say hello! Be sure to check with Miss Kelly in advance to find out which day she will be here.

**LeRoux will
be CLOSED**

**August 27th to
September 5th**

**Classes Resume
Thursday,
September 8th**

Policies 2011-12

Separately attached, you will find the policies for 2011-12 which include our acknowledgement form. In order to maintain our level of training and discipline for the dancers, we need everyone's cooperation. Even our youngest dancers benefit from a structured environment that is filled with dance and music, and of course, lots of FUN! Please be sure to read our Student/Studio policies carefully so that you don't miss any improvements we are implementing this year. Each family must print, sign and bring the Acknowledgement to the studio on the date of your first class.

Dance Team Intensive Camp

Our dance team will have its' annual, back-to-school intensive camp during the week of August 22nd to get their body back in shape for weekly dance classes. We hope you've had a wonderful summer and we look forward to seeing you dancing soon!

Ballet/Pointe Intensive

All dancers currently on Pointe are required to attend our summer Pointe Intensive, August 22nd through 26th, 8:00-8:45pm. Those students who are enrolled in Pre-Pointe are encouraged to attend. If you are not enrolled yet, please contact our office today.

Tuition Payment Options

Families have two options for making monthly tuition payments.

Option 1: Enroll in Autopay to have your tuition processed on the first of each month to your credit or debit card

Option 2: Make payment by cash or check.

If you have chosen Option 1, and have not completed your enrollment form, you must do so by September 17th. If you have selected Option 2, your payment coupon booklet will be provided for you during the week of September 26th.

Director's Note

For years I have known about a bulging disc in my lower back, with which I have been able to function fairly well through my daily routine. However, in July my back decided that it can no longer handle the daily routine of a dance instructor. For this reason, I am going to step out of the classroom this year and into the office full time. As you can imagine, this decision caused some changes to the staffing schedule for September. If these changes affect your child, you will receive an updated confirmation report this week. If you have any questions, feel free to give me a call.

LeRoux School of Dance * Kelly Stento, Director
