

# Recital Fees – What Are They?

LeRoux School of Dance established a recital fee when they stopped selling ads for their annual recital program. The monies raised by the advertising drive covered the cost of the production of our recital program and miscellaneous backstage expenses associated with our recital.

In 2009, our recital fee was updated to include Recital Practice CD, Photo Memory Mate, Recital DVD and 4 Recital Tickets. This year we have entered into contracts with Melgatone Sound, Bradley Video Productions and Artisan Photo to bring their products to you at a more reasonable rate. In addition, our recital fees will continue to cover backstage expenses and the production of our professional recital program.
